Energy Efficient Lighting Fixtures, Retrofits, and
Custom Design Fixtures

2059 NAUTICAL ROUND

Choose this fixture to lend a nautical flair to decks, docks, entrance and all coastal areas where consideration should be given to resistance against harsh salt air. All modern plastic construction with stainless steel fasteners provides superior durability. Polycarbonate fixture base and lens with or without the Polypropylene Grill insures a long life in addition to low operation cost especially when using an LED light source. The Nautical Round is both a decorative and efficient option to lighting. AHOY!
