50101AG Gooseneck
AND
50101AS S-Shape
Mounting Arms

The Gooseneck and S-Shape Mounting Arms may be used with the #50101 series "Snook Light". The Mounting Arms are built of aluminum pipe, bent to the desired configuration, and threaded to receive the Snook Light fixture. The opposite end is either threaded for installation into an existing conduit, or has a 4-hole, 1/4" mounting plate welded to them for mounting on a piling or wall. The arms are powder coated for extended durability. Optional 3/4" Pipe, Length, Color and Bend.

Manufactured in the U.S.A.
